## EXPERIENCE

### U of U Web Development Bootcamp

2021

I received my certificate of completion after developing a familiarity with React, MongoDB, Express.js, Sequelize, NoSQL, MySQL, bcrypt, JWT, Node.js, Apollo, GraphQL, among many others.

### Office Manager

2021 – PRESENT

- I manage all of the office procedures and I am the main point of communication for the business.
- I also use my coding skills to manage and improve their existing company websites.
- I am respected and have been recognized for my hard work and going above and beyond expectations that are set for me.
